

2020 Outstanding Cooperator of the Year ~ Lucas County Agricultural Society ~

Every spring, the Lucas SWCD holds our annual Tree and Garden Sale pick-up and Native Plant Sale at our office. This year, with contact-restrictions due to Covid-19, we found ourselves looking for a safer alternative for our customers.

The Lucas County Agricultural Society offered to not only store all the trees, native plants and shrubs, composters, rain barrels, cover crops, and other items, but they allowed us to hold drive-through pick-ups for our customers at the Lucas County Fairgrounds. Special thanks goes to Shane Warner (President) and Erin Nietz (Secretary) of the Lucas County Agricultural Society for their excellence and dedication to our community.
