**~ Spring Fish Sale ~**

An aerator tank truck from Fender's Fish Hatchery in Baltic, Ohio, will distribute fish fingerlings on **Tuesday, May 19, 2020, from 10:30 to 11:30 AM at our office in Maumee.**

Bring your own container lined with a clean trash bag half-filled with pond water. Your container should be filled as close to pick up time as possible to prevent drastic temperature changes in the water, which can cause shock to your fish during transportation. A 5-gallon bucket is adequate for 50 fish or 1,000 minnows.

Fish are guaranteed to be delivered in good condition, however, we cannot guarantee survival afterstocking in your pond.

**NEW for 2020! Nature's Pond Conditioner**

Koenders' all-in-one organic pond conditioner uses naturally-occurring beneficial bacteria, plant extracts, enzyme blends & natural food dyes. 1 Gallon treats 1/4 acres = $90.00

---

**Recommended stocking rates, new/renovated ponds:**
