WHAT IS LUCAS SWCD?

Formed in 1964, The Lucas Soil & Water Conservation District (SWCD), is a political subdivision of the State of Ohio. Funding for Lucas SWCD comes from the Lucas County Commissioners, local townships and municipalities, and individual donations.

The mission of Lucas SWCD is to provide leadership for the conservation of our soil, water, and other resources through education, information, and technical assistance. Visit our website www.lucasswcd.org to learn more on how we can help you help the land!
